

Critical Care Ultrasound: Pediatric and Neonatal

February 28 – March 1, 2018
San Antonio Marriott Rivercenter
San Antonio, Texas, USA

Target Audience

This continuing education activity is intended to meet the needs of pediatricians, anesthesiologists, cardiologists, emergency physicians, physician assistants, advanced practice nurses, neonatologists, hospitalists, and all other providers who care for pediatric patients in any setting in which critical care is provided.

Learning Objectives

- Acquire a foundation of ultrasound knowledge
- Practice acquisition of high-quality images via hands-on exercises
- Demonstrate image interpretation and utilization of ultrasound as a diagnostic tool

Competencies

SCCM supports recommendations that promote lifelong learning through continuing education. SCCM promotes activities that encourage the highest quality in education that will enhance knowledge, competence, or performance in critical care practice. This activity will meet the following competencies:

- Professionalism
- Patient care and procedural skills
- Medical knowledge
- Practice-based learning and improvement
- Interpersonal and communication skills

Type of Activity

This live workshop will focus on applying knowledge and practicing skills and techniques of ultrasound in the pediatric intensive care unit.

Credit Hours

Physicians

Accreditation Statement: SCCM is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education (CME) for physicians.

Designation Statement: SCCM designates the live educational activity, Critical Care Ultrasound: Pediatric and Neonatal, for a maximum of 19 *AMA PRA Category 1 credits*[™].

Each physician should claim only those hours of credit that he/she actually spent in the educational activity.

Nurses

The Critical Care Ultrasound: Pediatric and Neonatal activity has been approved by the California Board of Registered Nursing, Provider No. 8181, for up to 19 contact hours.

Physician Assistants

The American Academy of Physician Assistants accepts certificates of participation for educational activities certified for *AMA PRA Category 1 credit*[™] from organizations accredited by the Accreditation Council for Continuing Medical Education or a recognized state medical society. Physician assistants may receive a maximum of 19 Category 1 credits for completing this activity.

Maintenance of Certification

American Board of Pediatrics: This course meets the requirements for maintenance of certification (MOC) Part II.
