

**2011 Adult MCCKAP
Individual Score Report**

ID: **#####_01**

Note: Your scores on the MCCKAP total test and subtests were standardized in the same manner that National Board scores are computed. Therefore, for the national group taking the 2011 Adult MCCKAP exam, test and subtest score distributions all had means of 500 and standard deviations of 100. The percentage of items you answered correctly for the total test and each subtest is also reported.

Test/Subtest	No. of Items	Your National Board Equivalent Score	Percent Correct
Total	200	457	63%
Admin / Mgmt / Ethical Principles	5	530	60%
Infectious Disease / Immunology	11	467	54.5%
Cardiovascular	29	433	58.6%
Trauma / Resuscitation / Enviro	10	573	90%
Hematology / GI	14	403	57.1%
Monitoring / Bioengineering	15	518	60%
Metabolic / Endocrine	16	552	63%
Renal	3	501	66.7%
Respiratory / Airway	28	445	64.3%
Pharmacology / Toxicology	21	407	52.4%
Neurology / Neurosurgery	18	455	61.1%
Misc / ObGyn / Peds / Transport	9	483	55.6%
Surgery	5	670	100%
Physiology	11	412	45.5%
Shock	5	580	100%
