

Multiprofessional Critical Care Review Course: Pediatric

August 5-9, 2018
Loews Chicago O'Hare Hotel
Rosemont, Illinois, USA

Continuing Education

Learning Objectives

- Discuss relevant clinical topics outlined by the American Board of Pediatrics to prepare for the critical care board examination in pediatrics
- Assess the scientific foundations and literature evidence for the diagnosis, monitoring, and management of children with critical illness
- Compare information among multiprofessional practitioners involved in the practice of pediatric critical care medicine

Target Audience

This course is designed as a comprehensive review of the diagnosis, monitoring, and management of the critically ill patient as well as preparation for the pediatric critical care subspecialty examination. This continuing education offering is intended to meet the needs of any healthcare provider involved in the care of critically ill pediatric patients, including pediatricians, advanced practice nurses, anesthesiologists, cardiologists, critical care fellows, critical care nurses, emergency medicine practitioners, pharmacists, pulmonologists, respiratory care practitioners, and surgeons.

Type of Activity

This activity was prepared as board preparation material and will focus on increasing knowledge-based content.

Competencies

SCCM supports recommendations that will promote lifelong learning through continuing education. SCCM promotes activities that encourage the highest quality in education that will enhance knowledge, competence, or performance in critical care practice. This activity will meet the following competencies:

- Practice Applications
- Patient- and Family-Centered Care
- Quality Improvement
- Communication

Credit Hours

Physicians: *Accreditation Statement:* The Society of Critical Care Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Designation Statement: The Society of Critical Care Medicine designates this live educational activity for a maximum of 36 *AMA PRA Category 1 credits*[™]. Each physician should claim only those hours of credit that he/she actually spent in the educational activity.

Nurses: This activity has been approved by the California Board of Registered Nursing, Provider No. 8181, for up to 36 contact hours.

Pharmacists: The Society of Critical Care Medicine (SCCM) is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education. This live educational activity provides up to 36 contact hours of continuing education credit. SCCM reports to a continuing pharmacy education (CPE) tracking service, CPE Monitor, which will authenticate and store

data for completed CPE units received by pharmacists and pharmacy technicians. The tracking system will make CPE data for each participant available to the state boards of pharmacy where the participant is licensed or registered. After CPE units are processed by ACPE and the National Association of Boards of Pharmacy, pharmacists and pharmacy technicians will be able to log in to a comprehensive electronic profile to access information about their completed CPE.

Physician Assistants: The American Academy of Physician Assistants accepts certificates of participation for educational activities certified for *AMA PRA Category 1 Credit*[™] from organizations accredited by the Accreditation Council for Continuing Medical Education or a recognized state medical society. Physician Assistants may receive a maximum of 36 Category 1 credits for completing this activity.

Maintenance of Certification

American Board of Pediatrics: Successful completion of this CME activity, which includes participation in the activity, with individual assessments of the participant and feedback to the participant, enables the participant to earn 36 maintenance of certification (MOC) points in the American Board of Pediatrics' (ABP) MOC program. It is the CME activity provider's responsibility to submit participant completion information to the Accreditation Council for Continuing Medical Education for the purpose of granting ABP MOC credit.
