Adult Multiprofessional Critical Care Board Review Course
July 19-23, 2016
Loews Chicago O'Hare
Hotel Rosemont, Illinois, USA

Continuing Education and Maintenance of Certification

Learning Objectives
At the conclusion of this course, participants should be able to:

- Discuss relevant clinical topics to prepare for the critical care subspecialty board examination
- Assess the scientific foundations and literature evidence for the diagnosis, monitoring and management of patients with critical illness
- Compare information among multiprofessional practitioners involved in the practice of critical care medicine

Target Audience
This course is designed as a comprehensive review of the diagnosis, monitoring and management of the critically ill patient as well as preparation for the critical care subspecialty examination. This continuing education offering is intended to meet the needs of any healthcare provider involved in the care of critically ill patients, including advanced practice nurses, anesthesiologists, cardiologists, critical care fellows, critical care nurses, emergency medicine practitioners, intensivists, internists, neurologists, pharmacists, pulmonologists, respiratory care practitioners, and surgeons.

Type of Activity
This activity was prepared as board preparation material and will focus on increasing knowledge-based content.

Competencies
The Society of Critical Care Medicine (SCCM) supports recommendations that will promote lifelong learning through continuing education. SCCM promotes activities that encourage the highest quality in education that will enhance knowledge, competence or performance in critical care practice. This activity will meet the following competencies:

- Practice Applications
- Patient- and Family-Centered Care
- Quality Improvement
- Communication

Credit Hours

Physicians: Accreditation Statement: The Society of Critical Care Medicine (SCCM) is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians. Designation Statement: SCCM designates this live educational activity for a maximum of 41.75 AMA PRA Category 1 credits™. Each physician should claim only those hours of credit that he/she actually spent in the educational activity.

Nurses: This activity has been approved by the California Board of Registered Nursing, Provider No. 8181, for up to 41.75 contact hours.
Pharmacists: The Society of Critical Care Medicine is accredited by the Accreditation Council for Pharmacy Education (ACPE) as a provider of continuing pharmacy education (CPE). This live educational activity provides up to 41.75 contact hours of CPE credit (0236-0000-15-011-L04-P). SCCM reports to a CPE tracking service, CPE Monitor, which will authenticate and store data for completed CPE units received by pharmacists and pharmacy technicians. The tracking system will make CPE data for each participant available to the state boards of pharmacy where the participant is licensed or registered. After CPE units are processed by ACPE and the National Association of Boards of Pharmacy (NABP), pharmacists and pharmacy technicians will be able to log in to a comprehensive electronic profile to access information about their completed CPE. Please note: CPE Monitor accepts CE claims reported up to 60 days after the program date. To receive credit, you must complete the program evaluation within 60 days of the program. Later claims will not be processed by CPE Monitor. You are responsible for supplying SCCM accurate information for reporting, which includes your NABP number and date of birth.

Maintenance of Certification

American Board of Internal Medicine: Successful completion of this CME activity, which includes participation in the evaluation component, enables the participant to earn up to 41.75 maintenance of certification (MOC) points in the American Board of Internal Medicine’s (ABIM) MOC program. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC credit. Please note: Be sure to complete your posttest and required ABIM information within 30 days of the course. ABIM will accept MOC credit only from providers through the end of the calendar year in which the activity is held.

American Board of Surgery: This course meets the requirements for Maintenance of Certification (MOC). To claim MOC, you must pass the posttest and will then be prompted to provide additional information to print your MOC certificate to self-report to the American Board of Surgery if audited.

Claiming Credit
To obtain credit, complete the evaluation and access the MOC posttest, go to www.MySCCM.org. Once logged in with your SCCM customer ID (your ID is located on your badge) and password, select MY LEARNING on the orange bar, go to the section labeled “Continuing Education,” and select “2016 Adult Multiprofessional Critical Care Board Review Course.” You will be directed to the Continuing Education Portal. Please select “Search Sessions” and choose ADULT MULTIPROFESSIONAL CRITICAL CARE BOARD REVIEW COURSE in the event drop-down menu to begin the process of claiming credit. To access the MOC posttest, select the MY MOC tab near the top of the page in the Continuing Education Portal.
