

Dear PFCCS Consultant Candidate:

Thank you for your interest in becoming a Consultant in the Society of Critical Care Medicine's Pediatric Fundamental Critical Care Support (PFCCS) program. The criteria to become a PFCCS Consultant require that the candidate:

- Be an SCCM-approved PFCCS Course Director in good standing
- Have taught/directed at least two approved PFCCS courses in the two previous years
- Be willing to offer mentorship and guidance to first-time Course Directors and Coordinators
- Submit a completed PFCCS Consultant application via attached online form
- Submit a PFCCS Consultant Letter of Recommendation via attached form

As a PFCCS Consultant, it will be your responsibility to mentor new Course Directors and review their abilities and skills to determine if they should be permitted to manage further courses without Consultant supervision.

The criteria to maintain the role of the Consultant require that the candidate:

- Maintain SCCM membership status
- Continue certification, special/added qualification, or practice ratio in critical care
- Offer mentorship and guidance to first-time Course Directors and Coordinators
- Attend at least one day of a Course Director candidate's first course
- Evaluate the process, venue, and attitudes of course faculty
- Confer with Course Director and Course Coordinator after the course to complete an evaluation for SCCM

Thank you again for your interest in supporting the PFCCS program as a PFCCS Consultant.

Sincerely,

PFCCS Program Subcommittee

PFCCS Consultant Letter of Recommendation

Dear PFCCS Consultant:

The Society of Critical Care Medicine appreciates all of your efforts and time on behalf of the Pediatric Fundamental Critical Care Support (PFCCS) program.

As a PFCCS Consultant, please indicate below that you have reviewed and determined that this candidate has met the requirements for the role of PFCCS Consultant, and that this individual should be permitted to act as a PFCCS Consultant without supervision.

Consultant requirements / criteria that must be met require that the candidate has:

- Been an SCCM-approved PFCCS Course Director in good standing
- Directed at least two approved PFCCS courses in the two previous years
- Demonstrated mentorship and guidance to first-time Course Directors and Coordinators
- Maintained current SCCM membership
- Continues certification, special/added qualifications, or practice ratio in critical care
- Attended at least one day of a Course Director candidate's first course
- Evaluated the process, venue, and attitudes of course faculty
- Conferred with Course Director and Course Coordinator after completion of the course to complete an evaluation for SCCM

I recommend that _____ should be permitted to manage PFCCS courses as Consultant without National Course Consultant supervision.

Recommendation made by _____
(Print name of PFCCS National Consultant)

Date: _____

Sincerely,

PFCCS Program Subcommittee
