Cancellation Policy

Notification of an exhibitor’s decision to cancel or reduce space must be sent in writing on company letterhead to SCCM. If an exhibiting company does not cancel its space in writing and does not occupy its booth space on site, the company will be regarded as a no-show. If written notification of cancellation or booth reduction is received at SCCM headquarters by Friday, August 30, 2019, the exhibiting company will receive a full refund less a 50% administrative fee. After Friday, August 30, 2019, no refunds will be given.

An exhibitor’s cancellation of exhibit space may result in the release of any convention center ancillary meeting space previously assigned to the exhibitor by SCCM. SCCM assumes no responsibility for the inclusion or exclusion of the cancelled exhibitor or descriptions of products in Congress materials, including the Congress Program and Exhibition Guide, brochures, and news releases, and on SCCM’s website.

No-Show Policy

Any booth unoccupied by 5:00 p.m. on Saturday, February 15, 2020, will be regarded as a no-show and the contract to exhibit will be terminated. All freight will be removed and returned to the loading dock at the exhibitor’s expense.

Eligibility to Exhibit

Applicants that meet one or more of the following criteria will be eligible to exhibit at Congress:

- Products and services of a professional or educational interest or benefit to the attendees and directly related to the field of critical care
- Prescription and nonprescription pharmaceutical companies
- Equipment and devices designed for treatment and/or use in the critical care setting

- Physician recruitment and placement services

Recruitment Companies and Associations

Recruitment companies and associations will be assigned space at the discounted price of $3,700 for a 10´ x 10´ booth. If an association or recruiter requests a specific booth location or a larger size, the full booth price will apply.

Congress Priority Points

SCCM uses a priority points system for booth assignment. Priority points are awarded based on years of exhibit participation, booth size, and non-CME sponsorship support.

Companies contracted to exhibit at Congress will receive their priority point total and company rank for the booth selection process before the initial booth assignments are made. In the event of a tie in the number of priority points, space will be assigned based on when the application was received. The booth rate is $48 per square foot. There is a $200 charge for a corner booth.

Application Procedures

To apply for exhibit space and view the Exhibit Hall floor plan, visit sccm.org/expo. You may reserve your booth, add your exhibit booth staff, and update your booth profile online. If you are a new exhibitor, please contact Colleen McNamara at cmcnamara@sccm.org.

- Exhibit space is based on a priority point system during the initial space draw. After the initial booth assignments are made, space is assigned on a first-come, first-served basis.
- Exhibit space will not be assigned without a signed application and full payment and until any outstanding balances with SCCM are paid in full.
- No requests for exhibit space will be accepted or confirmed via telephone.
- To be listed in the Congress Program and Exhibition Guide, you must be registered by November 27, 2019.

Every effort will be made to consider location of competitors and to accommodate special requests. SCCM cannot guarantee booth location preferences.

All acceptances of the Congress Program and Exhibition Guide listing and assignments of exhibit space are conditioned upon continued compliance of the products or services proposed for exhibition with the basic criteria established for technical exhibits. If at any time a product or service for which a description has been accepted fails to conform to such basic criteria, SCCM may revoke its acceptance of the application, and all exhibit space rental fees paid by the applicant may be refunded in accordance with SCCM’s refund policy. SCCM shall have no further liability to the applicant with respect to the proposed exhibition.

Permission to exhibit does not constitute in any way SCCM’s endorsement of the exhibited products or services. SCCM reserves the right to terminate any contract for violating any rules or regulations.

A complete listing of the Exhibitor Guidelines are located in the Exhibitor Service Manual, which can be found at sccm.org/Expo.
