Continuing Education

Target Audience
This continuing education activity is intended to meet the needs of pediatricians, anesthesiologists, cardiologists, emergency physicians, physician assistants, advanced practice nurses, pharmacists, neonatologists, hospitalists, and all other providers who care for pediatric patients in any setting in which critical care is provided.

Learning Objectives
• Acquire a foundation of ultrasound knowledge
• Practice acquisition of high-quality images via hands-on exercises
• Demonstrate image interpretation and utilization of ultrasound as a diagnostic tool

Competencies
The Society of Critical Care Medicine (SCCM) supports recommendations that promote lifelong learning through continuing education. SCCM promotes activities that encourage the highest quality in education that will enhance knowledge, competence, or performance in critical care practice.

This activity will meet the following competencies:
• Professionalism
• Patient care and procedural skills
• Medical knowledge
• Practice-based learning and improvement
• Interpersonal and communication skills

Type of Activity
This live workshop will focus on applying knowledge and practicing skills and techniques of ultrasound in the pediatric intensive care unit.

Credit Hours
Physicians – Accreditation Statement: SCCM is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education (CME) for physicians.

Designation Statement: SCCM designates the live educational activity, Critical Care Ultrasound: Pediatric and Neonatal, for a maximum of 20 AMA PRA Category 1 credits™.

Each physician should claim only those hours of credit that he/she actually spent in the educational activity.

Nurses: The Critical Care Ultrasound: Pediatric and Neonatal activity has been approved by the California Board of Registered Nursing, Provider No. 8181, for up to 20 contact hours.

Physician Assistants The American Academy of Physician Assistants accepts certificates of participation for educational activities certified for AMA PRA Category 1 Credit™ from organizations accredited by the Accreditation Council for Continuing Medical Education or a recognized state medical society. Physician assistants may receive a maximum of 20 Category 1 credits for completing this activity.

Maintenance of Certification
American Board of Pediatrics: This course meets the requirements for maintenance of certification (MOC) Part II. To claim MOC Part II credit, you must pass the posttest, select the option for pediatric MOC II, and enter your American Board of Pediatrics member number and your date of birth. Your score will be reported directly to the board. This course meets the requirements for maintenance of certification (MOC) for up to 20 credits.
