

Dear FCCS: Crisis Management Consultant Candidate:

Thank you for your interest in becoming a consultant for the Society of Critical Care Medicine's Fundamental Critical Care Support: Crisis Management (FCCS: CM) program. The criteria to become an FCCS: CM consultant require that you:

- Maintain certification, special/added qualifications, or practice ratio in critical care
- Mentor and guide first-time course directors and coordinators through weekly, biweekly, or monthly phone conferences
- Attend a first-time FCCS: CM course (on invitation)
- Assess the abilities and skills of first-time course directors to determine whether they should be permitted to manage further courses without consultant supervision
- Debrief with the course director and coordinator after the course to evaluate the course, discuss issues and concerns, and finalize the relationship

The criteria to maintain the role of consultant require that you:

- Current FCCS: CM directors:
 - o Maintain current SCCM membership
 - o Submit online consultant application and consultant letter of recommendation
 - o Have taught or directed at least two FCCS: CM courses in the previous two years
- Current Fundamentals consultants may serve as consultants for an FCCS: CM course if no approved FCCS: CM consultant is available. Fundamentals consultants are not approved FCCS: CM consultants until they complete the FCCS: CM instructor, director, and consultant criteria.

Thank you again for your interest in supporting the FCCS program as an FCCS: CM consultant.

Sincerely,

FCCS: Crisis Management Program Committee

FCCS: Crisis Management Consultant Letter of Recommendation

Dear FCCS: Crisis Management Course Consultant:

The Society of Critical Care Medicine appreciates all of your efforts and time on behalf of the Fundamental Critical Care Support: Crisis Management (FCCS: CM) program.

As an FCCS: CM course consultant, please indicate below that you have reviewed and determined that this candidate has met the requirements for the role of FCCS: CM course consultant and that this candidate should be permitted to act as an FCCS: CM consultant without supervision.

Consultant criteria require that the candidate:

- Maintains current SCCM membership
- Has directed at least two approved FCCS: CM courses in the two previous years
- Mentors and guides first-time directors and coordinators through weekly, biweekly, or monthly phone conferences
- Maintains certification, special/added qualifications, or practice ratio in critical care
- Has attended a first-time FCCS: CM course (on invitation)
- Assesses the abilities and skills of first-time course directors to determine whether they should be permitted to manage further courses without consultant supervision
- Debriefs with the course director and coordinator after the course to evaluate the course, discuss issues and concerns, and finalize the relationship

I recommend that _____ should be permitted to manage FCCS: CM courses as a consultant without consultant supervision.

Recommendation made by _____
(Print name of Fundamentals or FCCS: CM consultant)

Date: _____

Sincerely,

FCCS: Crisis Management Program Committee
